7. Under the content description text, click the 'Download' or 'Buy' button to get Free or Paid DLC respectively. A confirmation window will pop up.
  - a. **IMPORTANT:** Some DLC content (such as 'The Stone Prisoner') is available for FREE through a promotional code which is included in each new box of Dragon Age: Origins, or e-mailed from the e-tailer where you purchased your digital download version. Make sure you check inside your game box or purchase emails and use the FREE code where this is available.
  - b. For a walkthrough on how to redeem a code within the game, visit [www.dragonage.com/addon/](http://www.dragonage.com/addon/).
  - c. To learn how to redeem a code from the Social website, visit [www.dragonage.com/addon/](http://www.dragonage.com/addon/).

8. If you are sure you do not have a FREE code for this item, review the details on the confirmation window and click the 'Download' or 'Buy Content' button to proceed.

- After successfully completing the process, the DLC item will disappear from the Available Content tab, and move to the Download Progress tab. Click the 'Download Progress' tab to follow the progress of any DLC you are downloading or installing.

- Once it has completed downloading, extracting and installing the content, the DLC item will disappear from the Download Progress tab, and move to the Installed Content tab. Click the 'Installed Content' tab to review all DLC you currently have installed on this machine. Ensure the content you just downloaded is set to Enabled.

- To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game. You can find instructions in your Quest Journal for how to access the DLC content you just installed.
