

## How to Redeem Codes on the website (any platform):

1. First make sure you have an EA online account.
  - a. For a walkthrough on how to create your EA online account on the PC game, Xbox 360® videogame and entertainment system, PlayStation®3 computer entertainment system, or on the website, visit [www.dragonage.com/addon/](http://www.dragonage.com/addon/).
2. Log in to the website with your online account, and from the Profile menu, select 'Redeem Promo code'.

3. At the code redemption screen, enter the code exactly as it is written – include capitalization and dashes (e.g. "AAAA-BBBB-...").
  - a. **NOTE:** Codes are one time use only – that account is enabled with that item forever, but the code will no longer work after it is used. Ensure you are logged in with the online account you would like to use when playing the game before using your code.

4. After successfully redeeming the code, start up the game, log in to your online account, select Downloadable Content from the Main Menu in the

*How to Redeem Codes on the Social site (any platform)*

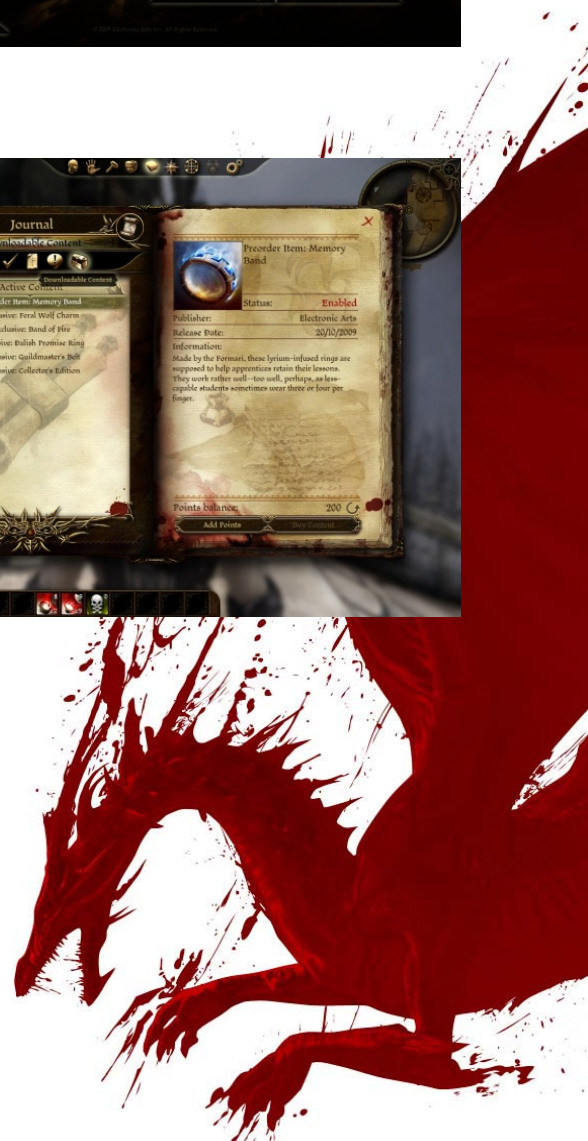

game, and follow the steps below for your specific platform:

## PC:

- A. The Downloadable Content (DLC) item will automatically begin to download.
  - a. Once it has completed downloading and installing the content, the DLC item will move to the Installed Content tab.
  - b. Click the 'Installed Content' tab to review all DLC you currently have installed on this machine.
  - c. Ensure the content you just downloaded is set to Enabled.

- B. To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game. You can find instructions in your Quest Journal for how to access the DLC content you just installed.

## Xbox 360:

- A. The DLC item will now appear in the Available Content tab and say 'Purchased'.
- B. Select that item with  or  Up/Down. You will see a detailed description on the right hand side of the window.

- C. Press  to 'Download' the item. The Xbox 360 downloadable content screen will appear.
- D. Review the details and select 'Confirm Download' to start downloading the content. Wait for the content to complete downloading before proceeding.

- E. After successfully downloading and installing the content, select 'Continue' to return to the Downloadable Content screen. You should notice the content now says 'Downloaded'.

- F. To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game.
- G. Follow the instructions in your Quest Journal for how to access the DLC content you just installed.

## PlayStation 3 system:

- A. After successfully redeeming the code, you will be returned to the Downloadable Content menu in the game.
- B. The DLC item will now appear in the Available Content tab and say 'Purchased'.
- C. Select that item with  or  Up/Down. You will see a detailed description on the right hand side of the window.

- D. Press  to 'Download' the item. The game will exit to the PlayStation Network Store.
- E. Review the details and press  to select the 'Download' option. And again at the next screen. Wait for the content to complete downloading before proceeding.
- F. Once the download is complete, keep pressing  to Back out of the PlayStation Network Store. Once you exit the PlayStation Network Store, the game will automatically restart.

- G. At the Main Menu of the game, select the Downloadable Content option. You should now notice that the content you just downloaded now says 'Downloaded'.

- H. To play this content, return to the Main Menu and start a New Game, Resume your last game, or Load a previous save game.
  
- I. Follow the instructions in your Quest Journal for how to access the DLC content you just installed.
