# How to access the DLC Item "Ser Isaac's Armor"

Ser Isaac's Armor is a set of armor that is received by having redeemed the code found on a leaflet in the Dead Space 2 box. There are two ways to redeem Dragon Age II codes. Please note that you must be signed in to your EA Nucleus account at all times for both of these options.

## Option 1:

1. At the main menu of Dragon Age II select the Downloadable Content menu option
2. Click on the 'Redeem EA Code' option
3. Click 'Ok' to be taken to the Bioware Social site redeem page
4. Input your 16-digit code and your EA account will be granted the entitlement
5. Upon successful redemption restart your game client

## Option 2:

1. Go to http://social.bioware.com
2. Log in to your account
3. Go to Profile > Redeem Promo Code (http://social.bioware.com/redeem_code.php)
4. Enter your code in the space provided and press the 'Redeem Code button'
5. Upon successful redemption restart your game client

You can verify that your account has these entitlements by going to http://social.bioware.com and checking under Profile > Your Registered Game Content (http://social.bioware.com/user_entitlements.php) when you are logged in to that account.

Once your account is entitled you can access Ser Isaac's Armor in the main game. Additionally, you can find more info on this and other unlockables at http://dragonage.bioware.com/da2/info/bonus_items/
